

With reference to

**European Parliament and Council Regulation
1907 / 2006 / CE**

concerning to the registration, evaluation, authorization and restriction of chemicals
(REACH),

PORKKA FINLAND OY

hereby makes the following declaration:

Our company is perfectly informed of the new legal obligations resulting of REACH regulations and we have completed the necessary steps with our own suppliers in order to be sure they are fulfilling required pre-registration and then registration procedures for substances and preparations we are using.

According to the regulation, we are producer of articles and we do not have responsibility to make pre-registrations neither registrations by ourselves but we have communicated with our suppliers and verified they have made required registration actions if the annual consumption by us exceeds the given limits, by the REACH directive.

In this regard, we inform you that the contact for REACH in our company is Matti Huikko (tel. +358 20 5555 418 / e-mail matti.huikko@huurre.com).
